- >> Various level of difficulty - from easy to difficult
- >> Some platform height reaching 17 meters
- >> Time to complete: 1.5 hours to 2 hours
- >> Minimum height requirement: 1.4 meters Max weight 100Kg

Experience the adrenaline rush while crossing the "Crazy Zig-Zag" and flying on the "Sky-crawl" at the Bermuda Triangle. Hold your breath while crossing "The Earthquake", test your ability to leap at the "Happy Hopper" and end the adventure with the grand finale, the 100 meters "Wild Revenge" which will take you to the finishing platform at an exhilarating speed.

Jump-start

- >> Compulsory trial

Have a go at the initiation circuit to familiarize yourself with the activity and you will need to demonstrate your ability to use the PPE in compliance with the safety system in place.

Little Adventure

- >> 15 adventure challenges
- >> Various level of difficulty level - from easy to difficult
- >> Time to complete: 1 hour
- >> Minimum height requirement: 1.1 meters Max Weight : 100Kg

Extreme Challenge

- >> Latest addition to the park
- >> 21 extreme challenges
- >> Some platforms reach the height of 22 meters
- >> Time to complete: 1.5 hours to 2 hours
- >> Minimum height requirement: 1.4 meters Max Weight 100Kg

Currently in the final stage of construction and will be opened to the public in September 2008.

The challenges are named after common animals behavior such as "Tupai Terbang" (Flying Squirrel), "Rangkaian Cacak" (Crawling Lizard), "Jungkit Arnab" (Hopping Rabbit) and many more. End the activity with the "Selam Badak" (Diving Hippo) which takes you across a lake to the finishing point. The various challenges is guaranteed to keep the children, and also the less adventurous adults, busy but happy throughout the day.
